* This deficiency consists of moneys appropriated out of the Funds in Court, under the authority of various Acts of Parliament, towards the cost of the buildings of the Courts of Law and Law Library in Dublin, and of a loan (of £7,000 16s. 11d.) arising from a deficiency in the accounts of a former Master of the Court of Chancery in Ireland, provided for by Act 28 & 29 Geo. III., c. 22 (1788), and 30 Geo. III., c. 41 (1790). The Consolidated Fund is liable for the amount of the deficiency, in the event of the funds in Court being at any time insufficient to meet payments to suitors. The liability may however be said to be nominal.

† This deficiency, which is uncovered by any formal liability of the Consolidated Fund, is the result of a double payment of £7 3s. 3d., inadvertently made in 1867 by a former Master of the Queen's Bench Division, and an overpayment of one shilling in 1877, and one penny suspense, Chancery Division.
